**“Cute, kick-arse girls going around the universe and blowing stuff up in the name of justice.” – Mike Dent, *Otaku USA***

The *Dirty Pair* television series, OVA series, *Project Eden* and the two standalone OVAs (*Affair of Nolandia* and *Flight 005 Conspiracy*) are the first wave of anime adaptations to star the iconic heroines of the long-running *Dirty Pair* novels and short stories. All portions of the original *Dirty Pair* anime franchise feature production by **Sunrise** (*Gundam*, *Outlaw Star*, *The Vision of Escaflowne*, *Cowboy Bebop*), while the TV and OVA series also feature production by **Studio Nue** (*Crusher Joe*, *Macross*).

The **original *Dirty Pair* TV series and OVA series are now available as DVD sets**, with remastered video, from Right Stuf's Nozomi Entertainment. Nozomi also has plans to release the 1990s, alternate-universe series *Dirty Pair Flash* in 2012.

The *Dirty Pair*'s literary adventures – written by **Haruka Takachiho** (creator of *Crusher Joe*) and illustrated by **Yoshikazu Yasuhiko** (character design for *Mobile Suit Gundam*, *Gundam Unicorn*) – have won two Seiun Awards for science fiction and inspired an array of media, including anime, radio series and English-language comics. The first two novels, *The Great Adventure of the Dirty Pair* and *The Dirty Pair Strike Again*, are published for English-speaking audiences by Dark Horse.

### ***About the DIRTY PAIR: The Original Features***

The Lovely Angels are back in a triple-pack of '80s sci-fi action!

***Affair of Nolandia:*** A little girl has gone missing, but this particular damsel in distress has incredible psychic powers. If Kei and Yuri want to find her, they'll have to fight their way through a deadly forest of illusions...

***Flight 005 Conspiracy:*** The 3WA's Central Computer gave the *Dirty Pair* two cases at once! Kei and Yuri must investigate a space liner explosion and, at the same time, find a missing scientist. It all seems harmless enough, but this is actually the Angels' most dangerous mission, yet -- and if they're not careful, it'll be their last.
